

A scenic view of Amorgos Island, Greece, featuring a white church built into a cliffside overlooking the sea. The church has a prominent arched doorway with a decorative arch above it. A set of white stairs with green metal railings leads up to the entrance. Several people are gathered at the base of the stairs. The sea is a deep blue, and a large rock formation is visible in the distance under a bright blue sky with scattered white clouds.

6th Amorgos Film Academy

November 10th to November 17th, 2023

Amorgos Island, Greece

We are excited to introduce our [6th Film Academy](#), which will take place conjunctively with the 14th International Amorgos Film Festival and is aimed at students and film makers from around the world!

The participants will have the opportunity to participate in 5-days intensive classes and workshops, which will cover the **basic spectrum of film making**, from the conception of an idea, to the logistics of production and distribution.

- *Students will learn the skills need to tell stories through Film.*
- *Will meet like-minded people while networking, collaborate on projects, share ideas and experiences.*

The film making classes will be held by a pool of **international creative experts** with fresh and innovative ideas and years of experience in the film and audiovisual industries.

Following the Film Academy sessions, the students will have the **opportunity** to attend the 14th International Amorgos Film Festival, participating in all screening, presentations, speeches, as well as recreational activities and tours around the island of Amorgos. The short films created by the participants during the Academy will compete at the Festival for a first, second, and third prize.

This is a wonderful opportunity for **passionate people** to combine film making training with an incredibly **inspiring location** which can serve as a source of endless inspiration! Amorgos Film Academy is the ideal choice to bring such dreams into realization, and give life to creative ideas, inspired by the powerful positive energy of Amorgos Island.
