Brief Description & Background

Briefly present partner organisation

Centre for Capacity Building & Empowerment is youth led civil society organisation, which connects active adventurous people together. The organisation mainly works with young people specially coming from marginalised background. It also work closely with youth workers, trainers, teachers and organisations active in non-formal education field and life-long learning. Our staff and members have participated and organised different youth exchanges, workshops, seminars and mobility of youth workers, training courses concerning equality, media & journalism, innovation, fight against racism & xenophobia, human rights, mobility and migration & refugee issues, environment protection and other issues. Our volunteers and active members communicate and share new project ideas and think how to put them into practice. We sincerely believe that young people coming from all segments of society, can make a strong impact and we all work for this purpose. The organisation is very keen to take part in Erasmus+ projects of European commission and have already shown keen interest in various topics.

Activities & Experience:

The activities of the organisation is to activate Swedish as well as European youth on project activities on various social issues and topics. It is already involved in different youth oriented projects like all key actions & sports project. The members of the organisation have a lot of experience in conducting national and international projects. Our members & volunteers have taken parts in various trainings, seminars, youth exchanges and partnership building activities both nationally and internationally.

Objectives:

- To inspire non-formal learning, capacity building and empowering our communities.
- To encourage the spirit of Youth, Youth workers, community workers & leaders to support capacity building & empowerment in society;
- To raise awareness about the importance of intercultural learning;
- To promote inter-culturalism and diversity as an asset rather than a threat in nowadays societies;

- To promote EU and worldwide values for a better interaction and cohabitation between groups of different backgrounds especially youth;
- To enlighten the importance tolerance for a better and harmonious co-existence;
- To foster social cohesion through promotion of common values;
- To create opportunities and encourage active citizenship;

Skills & experience of key staff:

Mr. Asif Khan: He is the founder and Project leader of the organisation. Asif is certified trainer & facilitator of EU & Internationally funded projects. He is having over 11 years of experience in non profit sector. He is certified in the field of Conflict Resolution & Interfaith Conflict Analysis by United States Institute of Peace, Washington. His has expertise in the topics like youth empowerment, migration & refugee issues, integration, interfaith conflict resolution, Crisis in South Asia & Middle East.

Dr. Muhammad Sohail Khan: He is a dental doctor by profession and has great knowledge and experience as a Youth Worker and YE Facilitator. He has been involved in various projects on topics like Social entrepreneurship, migration & refugee issue, radicalisation, hate speech, social change, social and sustainable development.

Mrs. Sabina Zulfiqar: She has over 6 years of experience in NGO sector, specifically in implementing projects on diversity, social change, youth empowerment, disadvantaged youth and related topics. She has been involved on all key actions of Erasmus+ in various capacities.
