International Children Care Film Festival

Few words about our festival

First kind in the world, the international Children Care Film Festival has the following goals: the promotion and the awareness of child and youth protection by and through the cinema.

Free and open to all, its first edition took place in Paris in July 2021.

Its success lead us to pursue our commitment with a 2nd edition that will take place from June 26 to July 2 2022.
