

LEBANESE

SPOTLIGHT

About us:

- Lebanese Spotlight is a non-governmental organization that focuses on empowering the youth and creating active citizens that would create promising future leaders.
- Founded in 2017.
- Under registration number "1166 in the ministry of interior, Lebanese Spotlight gathered passionate Youth from public high schools, Universities to indulge in the motive.
- L.S.L. inevitably grew bigger and stronger by creating hope and difference.
- Now Lebanese spotlight has over 500 volunteers from different public and private schools and universities

Our believes

We are working to promote youth empowerment and enhance their social and life skills. We work to indulge the youth in social activities through volunteering workshops, community service, and educational activities that we can provide in order to promise a societal change in the upcoming generation. We work on helping each one portray their absolute potential and gain the spotlights that they deserve.

VISION:

Aims to spark hope in the Lebanese youth haunted by desperation and create promising future leaders.

MISSION & GOAL:

We focused on building a well-developed community and a safe environment to strengthen our volunteers' skills by championing equality and working on their overall performance. Our motivation sparks from the improvement of every single volunteer.

Community service at High schools

How it is going ?

Lebanese Spotlight's structure

Lebanese Spotlight now has a well-organized structure that includes General Secretary Members as honorary members along with advisors. The Directory Board consists of key positions such as the HR, PR, Technology, accountability and evaluation, TOT, secretariat, and Finance. Founder Ali Omar Ali provides vision and guidance along with advisors. The organization also encompasses entities like Activities (including arts, sports, gatherings, and activities for kids), Volunteers Entity (led by the Head of Volunteers), and the Media Committee. This structure ensures effective management, coordination, and promotion of Lebanese Spotlight's mission to empower the youth in Lebanon.

Testimonials

**Ibrahim Shouha ,
TOT leader in
Lebanese spotlight**

“Attending the workshops and activities organized by the Lebanese Spotlight NGO was an amazing experience for me. I felt thankful and happy because I gained the skills, knowledge, and learned how to be a positive influence in my community. It was exactly what I needed, and I left feeling satisfied and confident in my ability to make a difference.”

**Batoul Mtawea ,
The Tech leader in
lebanese spotlight**

“Lebanese spotlight has unwavering commitment to equipping young individuals with essential skills is making a lasting impact on their lives and the entire community.
I'm proud to have completed one year in this incredible family, and I look forward to many more years together...”

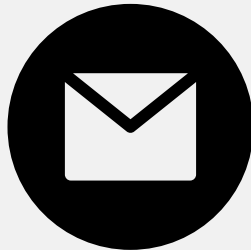

**Ali Omar Ali ,
Founder of LEBANESE SPOTLIGHT**

"Six years ago, Lebanese Spotlight was just a dream. Today, in 2023, Lebanese Spotlight has turned that dream into a reality, thanks to the dedication of youth leaders. This organization provides a space for young people to gain skills, improve themselves, and engage in their community. With hard work, vision, and effort, the LSL youth community can overcome any obstacle. Here's to many more years of volunteering, pride, and success!"
