#### [Verse 1]

All over the world
Come out and play every boy and girl
We come together
Cheering on our home team
Wherever you are
You watch the ball go spin and whirl
One sport, one dream
That's what playing ball means to me

#### [Pre-Chorus]

Oh, keep pushing it higher, higher Oh, yes you got the fire, fire Oh, a game to admire-mire So when we play (I say alé alé alé)

#### [Chorus]

You can dream, you can do it, say alé, alé, alé You can feel it, you can make it, say alé, alé, alé You love it, come and get it, say alé, alé, alé Tell me what you're waiting for, alé, alé, alé

Oh, oh, oh Go, Go, Go, Goal Oh, Oh, Oh Go, Go, Go, Goal

#### [Verse 2]

Nothing feels better than running out on that field All the problems of the world soccer blocks it like a shield Both young and old together Play in any weather One sport, one dream That's what playing ball means to me

### [Pre-Chorus] [Chorus]

### [Bridge]

I wanna hear you say, alé alé alé I wanna hear you say, alé alé alé I wanna hear you say, alé alé alé I wanna hear you say (I say alé alé alé)

# [Chorus]
