WHO ARE WE?

Brussels-based
A Community that empowers more than 10,000 women in 20 countries
Focus on Belgium and MENA region
Advance women's place in entrepreneurial scene, technology, innovation & society.
MISSION

Create a **shift** within societies by offering revolutionary discussions and **impactful** solutions that will accelerate the development of women and communities.
OBJECTIVES

- Create a fuelling space to **showcase and connect the female talent** from the entrepreneurial-system.
- Build an **inspiring platform** to support the advancement of women and create a lasting change.
- Close the **gender gap** in economy, innovation and technology sectors.
- **Increase awareness** about status quo and reconstruct better foundational beliefs and ideas on gender issues.
Womenpreneur Mentorship Program: Offering women series of mentorship programs on entrepreneurship and business.

Womenpreneur Forum: taking place every year, W.P Forum brings together different actors to discuss women and economy.

Razeda: An online community space that shares several opportunities for women, from: competitions, funds, tips, to job alerts...

Womenpreneur HUB: Series of trainings and events to support women entrepreneurs turning their ideas into reality.

Womenquake: a neutral place where existing ideas and beliefs concerning gender differences and women are debated and challenged.

Women Leadership Forum: in partnership with 42 Born to Code, an initiative to support more women in tech & digital.

Womenpreneur Tour: an empowerment campaign to tour to map and support the Female Tech Talents in the Arab Ecosystem.
BRUSSELS ACTIVITIES

500k Outreach
Since 2016: Womenpreneur advises the UN and the EU institutions, governments and organisations on women's empowerment and gender policy.

Since its establishment, Womenpreneur Initiative has reached and supported more than 10,000 women around MENA region and Belgium.

Womenpreneur has been named among SE100 most inspiring Social Innovations and Social Entrepreneurship initiatives by Social Enablers.
2018: Womenpreneur was nominated among the 10 most inspiring initiatives for Women by the World Bank

2019: Womenpreneur joined forces with Brubotics - Human Robotics Research Center, to introduce "Women and Robots", to create more awareness concerning the lack of women in the technological field.

Launched the first accelerator focusing on supporting women impacted by the COVID-19 pandemic
