D. BACKGROUND AND EXPERIENCE	

<p>Please briefly present the partner organisation.</p>	<p>As an accredited Erasmus EU organisation, our mission is to work with institutions and organisations to create a just and sustainable world. We envision a world in which everyone can lead a prosperous and dignified life within the boundaries of the Earth's natural resources across boundaries with no limitations in ethnic, cultural, languages, and religion. We are dedicated to expanding the horizon of youth empowerment, diversity and equality utilising non-formal education by means of voluntary services as a tool to global change, using art work and other handcraft towards youth development. We do have a physical environment suitable for young people with physical difficulties, using sports and handcraft as a means towards social development and creating opportunities for youths while tapping into their resources. We do cooperation with partners in Europe and the across the middle east, both on youth and sports development.</p>
<p>What are the activities and experience of the organisation in the areas relevant for this application?</p>	<p>Among the projects that we engage in, which are not limited to volunteering, youth development, community development, agricultural, artwork (artisans) while using sports as means towards nonformal education to address it with a view for addressing youth unemployment and youth job search, Refugees Programs, Agricultural projects etc. The main emphasis which we have done and still focus on youth accesses to proper Tunisia social and cultural integration for most young refugees that come into the country while offering them tools and program for cultural awareness and sensitivity of their new environment. (After the Arab Spring) We work on project focusing on youths using both sports as a non-formal education towards addressing their needs, care and support. More information regarding our activities with reference to projects done and executed can be found on the website and social platform.</p>
<p>What are the skills and expertise of key staff/persons involved in this application?</p>	<p>1)Hakim KHAMMASSI (CEO/ Founder): Hakim is passionate and dedicated for sustainable business development. With his vision towards the leadership of ATDAS, through networking with civil societies, private/business sectors and the government sectors towards global businesses sustainability while drawing a full swing towards social and environmental issues with deep consideration with policies and elements in MDGs in line towards Sustainable Development Goals (SDGs).
