**Short description of the organization**

System and Generation International Association AISBL –S&G Int’l Brussels is a non-profit organization established in January 2020 . The association, in a fashion devoid of interest, has set upon itself the purpose of supporting the objectives set by the European Union’s strategy for youth 2019-2017, and considered during the structured dialogue with the European youth 2017. The objectives for youth target all of the European youth, and aims to achieve the following:

- a. ESTABLISH A LINK BETWEEN THE EUROPEAN UNION AND THE EUROPEAN YOUTH: Instigate the sense of implication in the European youth in the European project, and build a sturdy bridge between the parties, to reinforce trust and increase involvement among the youth.
- b. EQUALITY BETWEEN ALL GENDERS: Insure the equality between all genders and gender-specific approaches in all aspects of the youth’s life.
- c. INCLUSIVE SOCIETIES: Allow and insure the inclusion of all of the youth into society.
- d. INFORMATION AND CONSTRUCTIVE DIALOGUES: Guarantee that all of the youth have a better access to reliable information, reinforce their skills, evaluate the information in a critical way and engage in constructive and participatory dialogues.
- e. MENTAL HEALTH AND WELL-BEING SANTÉ MENTALE: Improve the mental health and put to an end the stigma around questions regarding mental health, promoting as a result the social inclusion of all of the youth.
- f. HELP THE YOUTH IN RURAL AREAS PROGRESS: Create the necessary conditions allowing the youth in the countryside to develop their potential.
- g. HIGH QUALITY EMPLOYMENT FOR ALL: Secure a job market accessible to all, containing opportunities leading to quality jobs for all of the youth.
- h. HIGH QUALITY EDUCATIO: Incorporate and improve different forms of education, fitting the youth to tackle the challenges of a life unremittingly changing in the 21st century.
- h. SPACES AND ESPACE PARTICIPATION FOR ALL: Fortify the autonomy and the democratic participation of the youth, and provide dedicated spaces for the youth in all fields of society.
- j. A GREEN AND SUSTAINABLE EUROPE: Reach a society where all of the youth are active and engaged in environmental issues, educated and capable of making a difference in their daily lives.
- k. ORGANISATIONS FOR YOUTH AND EUROPEAN PROGRAMS: Secure an equal access for all young people to organizations for European youth and European programs for youth, building a society based on the European values and European identity. The association serves as a frame to improve the creativity and inventiveness of people. The association will act towards linking these creative ideas, especially those voiced by the youth, with the governance systems in the European Union. Particular attention will be paid to the needs for sustainability and of socio-economy. The association will work for a world more receptive to intellectual dialogue through international collaborations. The objectives of the association also include the mobility and awareness of the European youth.
